

## 2016 WILLAMETTE VALLEY PINOT NOIR

The 2016 Willamette Valley Pinot Noir comes from a gorgeous ripe vintage and is sourced from a blend of some of our favorite vineyards. Aromas of strawberry fruit and cherry with some bramble and earthy notes leap from the glass and the wine is seamless on the palate with its rich, round mouthfeel and persistent finish. This wine expresses classic Willamette Valley terroir with an easy drinkability right now and a potential to develop even more complexity with cellaring.
